

CipSoft Reseller Application Form

To become an official reseller, you have to fulfil the following conditions:

- you will have to sign our **reseller agreement** which you will receive after a first review of your application
- you must have a **company** that is registered in your name
- you will have to generate a minimum yearly turnover of **20,000 EUR** (the minimum order amount is **500 EUR**)
- you will have to pay a non-refundable **200 EUR fee** which is used to verify your business by an external partner (you will have to provide proof that your company exists and provide personal identification of all company shareholders)
- you will have to be able to transfer money via international bank transfer from **one single bank account** which is in your name or your company's name (please enter bank account information in form below)

Fill out **all fields** correctly and send the document to reseller@cipsoft.com. Please note, that we may not accept your application, even if you fulfil all conditions.

After we have received this application form, it will be reviewed properly. If we accept your application, you will have to make a payment of 200.00 EUR. This payment will initiate a KYC process in which you will provide proof of your company's existence and personal information and documentation of its shareholders. Please note, to finalise the cooperation, you will have to sign the reseller agreement which you will receive after a first review of this application form. Also, you will have to successfully pass the KYC process which entails providing formal proof of your company's and its shareholders' existence.
